## Quality Management System

*This is to certify that:*

### Metal Improvement Company

Newbury Division  
Hambridge Lane  
Newbury  
RG14 5TU  
United Kingdom

Holds Certificate No: **FM 14792**

and operates a Quality Management System which complies with the requirements of BS EN 9100:2003, ISO 9001:2008 and assessed in accordance with EN 9104:P1 for the following scope:

Controlled shot peening, peen forming and form correction, glass bead peening, "C.A.S.E Superfinishing" and controlled abrasive blasting to national, international and/or customers' specifications/drawing requirements for a variety of industries including the aerospace sector.

Scope includes the above activities at customers' premises (where transportation of parts to MIC's factory is impractical) and, where required, removal of corrosion/surface damage prior to shot peening. Such work includes work on aircraft, other craft, vehicles or vessels and parts there of, as part of new manufacture or maintenance/repair schemes in accordance with specifications, service bulletins or other instructions.
